

***Creating Healthy Workplaces Presented at Town Point Club***  
**January 9, 2008**

Taylor Made Diagnostics' President Caroline Taylor served on the panel of Managing Communications Consulting's *Creating Healthy Workplaces* at Town Point Club, January 29. The seminar was designed to assist employers in understanding trends and concepts for improving the work environment. Guest speaker Jerome S. Blackman, M.D., F.A.P.A. presented *The Psychology of Money from the Employee's View*, followed by a panel of business owner experts including Caroline Taylor, Taylor Made Diagnostics; Krys Reid, Tower Benefit Consultants, and Shawn Kuhle, SERVPRO of Norfolk.

Designed for business owners, as well as human resources and facilities managers, the panel includes **Krys Reid** of Tower Benefit Consultants, Inc., founded in 1924, and headquartered in Virginia Beach. TBC is a charter member with United Benefit Advisors, one of the nation's largest employee benefits advisory organizations with over 1,600 experienced benefits professionals located in more than 150 offices across North America. **Caroline Taylor** founded Taylor Made Diagnostics in 1995. Today, with an occupational medicine and worker's compensation care clinical delivery system serving over 1,000 area businesses, **Shawn Kuhle** purchased the franchise for Servpro® of Norfolk in 1999. An expert in building inspections, cleaning, mold, and restoration, Kuhle holds many certifications including Advanced Mold Remediation Technician (AMRT) and Certified Mold Remediator (CMR) with the Indoor Air Quality Association and ASCS (Air Systems Cleaning).
